

**Dear Mr. Brian Garrahan,**

This E-mail is in response to your March 8, 2017, E-mail inquiry regarding calendar years 2015 and 2016 Greenhouse Gas (GHG) emissions in New York State. Attached is a zipped file which contains a Microsoft Excel file that includes calendar year 2015 GHG emissions from suppliers and direct emitters in New York State. The emissions are expressed in units of metric tons of CO2 equivalents. This information was obtained from EPA's 2015 GHG Reporting Program Data Set.

Calendar year 2016 emissions data are not available. Calendar year 2016 data are due to EPA on March 31, 2017 and will be available to the public until fall 2017.

If you have any general questions, please contact Mr. Raymond Forde of the Air Programs Branch, Air Planning Section via E-mail or at (212) 637-3716. For any detailed technical questions, please E-mail EPA's GHG helpdesk at [\*\*GHGReporting@epa.gov\*\*](mailto:GHGReporting@epa.gov) and cc me at [\*\*forde.raymond@epa.gov\*\*](mailto:forde.raymond@epa.gov)
